Virtual VITA/TCE Taxpayer Consent

This form is required whenever the taxpayer's tax return is completed and/or quality reviewed in a non-face-to-face environment. The site must explain to the taxpayer the process this site will use to prepare the taxpayer's return. If applicable, taxpayers must also be advised of all procedures and the associated risk if their data will be transferred from one site location to another site location.

Part I - To be completed by the VITA/TCE site:

Site name

Ebenezer Baptist Church/MLK Sr. Resource Collaborative

Site address (*street, city, state, zip code*)101 Jackson Street NE
Atlanta, GA 30312

Site identification number (SIDN)

S18061446

Site coordinator name

Joyce McClendon (678)561-0296, Paulette Heard (678)310-9135

Site contact name

Joyce McClendon or Paulette Heard

Site contact telephone number

(678)561-0296 or (678)310-9135

This site is using the following Virtual VITA/TCE method(s) to prepare your tax return:

- A. Drop Off Site:** This site uses a drop off process which includes the site maintaining personal identifiable information (*social security numbers, Form W-2, etc.*) to prepare the tax return at the same site but at a later time. In this process, you will come back to the same site for the quality review and/or signing the completed tax return. The site will explain the method it will use to contact you if additional information is needed to prepare and/or quality review the tax return.
- B. Intake Site:** This method includes the taxpayer leaving their personal identifiable information (*social security numbers, Form W-2 and other documents*) at the site in order to prepare and/or quality review the tax return at another location. In this process, the taxpayer's tax return information may be sent to another location for one or more of the following reasons; interviewing the taxpayer, preparing the tax return, or performing a quality review. The taxpayer may come back to the intake site for the quality review or to review and sign the completed tax return.
- C. Return Preparation and/or Quality Review Only Site:** This site may receive returns from one or more intake sites to prepare and/or quality review returns. This site generally does not take walk-in or appointments from other taxpayers in their location.
- D. Combination Site:** This site prepares returns for other permanent or temporary intake sites as well as assisting walk in and/or appointment only taxpayers within their location.
- E. 100% Virtual VITA/TCE Process:** This method includes non face-to-face interactions with the taxpayer and any of the VITA/TCE volunteers during the intake, interview, return preparation, quality review, and signing the tax return. The taxpayer will be explained the full process and is required to consent to step-by-step process used by the site. This includes the virtual procedures to send required documents (social security numbers, Form W-2 and other documents) through a secured file sharing system to a designated volunteer for review.

Part II: The Sites Process:

Explain how each process will be followed to assist taxpayers remotely. How will the site manage:

1. Scheduling the appointment

Taxpayers contact the site via telephone or email as listed on the IRS VITA site lookup. After contacting the site, taxpayers will be informed of the process and information required to proceed with scheduling to complete the return. Taxpayers will be sent an email from the VITA Site's direct email with the Form 13614-C Intake Interview form and Form 14446 Virtual Vita Consent. All forms must be completed and returned back via email if they wish to proceed.

2. Securing Taxpayer Consent Agreement

No client data is processed if the site does not have the intake and interview form 13614-C Intake Interview and the Form 14446 (Virtual VITA/TCE Taxpayer Consent). It should be returned via email, password protected.

3. Performing the Intake Process (*secure all documents*)

Once all information is received and reviewed, the taxpayer will be contacted to go through the intake interview via video/telephone conferencing prior to beginning the return preparation.

4. Validating taxpayer's authentication (*Reviewing photo identification & Social Security Cards/ITINS*)

All taxpayer data is received electronically and all data is password protected and once the return is completed and processed, the data is removed immediately. Picture ID is required for the taxpayer and spouse if applicable, Social Security cards are required for all individual on the tax return. Data is received through an encrypted password protected email.

5. Performing the interview with the taxpayer(s)

Taxpayers are contacted via video /telephone contact to complete the intake interview and to ensure all documents have been submitted for the tax preparation.

6. Preparing the tax return

The tax return is assigned to an appropriate level certified tax preparer. The Site Coordinator or Assistant Coordinator will make these assignments and assure that the preparer has access to the return data in Tax Slayer. The tax return should be completed within three to five days after all information has been received from the taxpayer.

7. Performing the quality review

After completing the return, it will be sent to the quality review stage. A second certified preparer will contact the taxpayer to review and go over the prepared return.

8. Sharing the completed return

The completed return will be emailed to the taxpayer, password protected, with the password provided by the taxpayer to the VITA quality reviewer during the review process.

9. Signing the return

The taxpayer will be instructed to sign the Form 8879 and return via an encrypted email before the return can be finalized and e-filed.

10. E-filing the tax return

The return will be e-filed the same day that the taxpayer returns the signed 8879 IRS e-file Signature Authorization form to the Ebenezer VITA email address.

Part III: Taxpayer Consents:

Request to Review your Tax Return for Accuracy:

To ensure you are receiving quality services and an accurately prepared tax return at the volunteer site, IRS employees randomly select free tax preparation sites for review. If errors are identified, the site will make the necessary corrections. IRS does not keep any personal information from your reviewed tax return and this allows them to rate our VITA/TCE return preparation programs for accurately prepared tax returns. If you do not wish to have your return included as part of the review process, it will not affect the services provided to you at this site. If the site preparing this return is selected, do you consent to having your return reviewed for accuracy, by an IRS employee?

Yes No

Virtual Consent Disclosure:

If you agree to have your tax return prepared and your tax documents handled in the above manner, your signature and/or agreement is required on this document. Signing this document means that you are agreeing to the procedures stated above for preparing a tax return for you. (If this is a Married Filing Joint return both spouses must sign and date this document.) If you chose not to sign this form, we may not be able to prepare your tax return using this process. Since we are preparing your tax return virtually, we have to secure your consent agreeing to this process. If you consent to use these non-IRS virtual systems to disclose or use your tax return information, Federal law may not protect your tax return information from further use or distribution in the event these systems are hacked or breached without our knowledge. If you agree to the disclosure of your tax return information, your consent is valid for the amount of time that you specify. If you do not specify the duration of your consent, your consent is valid for one year from the date of signature. If you believe your tax return information has been disclosed or used improperly in a manner unauthorized by law or without your permission, you may contact the Treasury Inspector General for Tax Administration (TIGTA) by telephone at 1-800-366-4484, or by e-mail at complaints@tigta.treas.gov. While the IRS is responsible for providing oversight requirements to Volunteer Income Tax Assistance (VITA) and Tax Counseling for the Elderly (TCE) programs, these sites are operated by IRS sponsored partners who manage IRS site operations requirements and volunteer ethical standards. In addition, the locations of these sites may not be in or on federal Property.

This means you will be able to visit any volunteer site using TaxSlayer next year and have your tax return populate with your current year data, regardless of where you filed your tax return this year. This consent is valid through November 12, 2022.

The tax return information that will be disclosed includes, but is not limited to, demographic, financial and other personally identifiable information, about you, your tax return and your sources of income, which was input into the tax preparation software for the purpose of preparing your tax return. This information includes your name, address, date of birth, phone number, SSN, filing status, occupation, employer's name and address, and the amounts and sources of income, deductions and credits that were claimed on, or contained within, your tax return. You do not need to provide consent for the VITA/TCE partner preparing your tax return this year. Global Carry Forward will assist you only if you visit a different VITA or TCE partner next year that uses TaxSlayer.
